

Selling to Win – Online & Onscreen

OBJECTIVE

To increase sales revenue, either by winning new customers or increasing the average transaction value, while building long term relationships and getting repeat orders when working remotely or WFH

OR

To provide a common-sense, business-like approach to selling and winning business while developing the confidence and the skills to sell successfully and professionally when working remotely or WFH

Sales people are having to work remotely or WFH using flexible and agile working patterns which look to become the new normal. Do your sales skills match the new situation?

THIS COURSE COMPRISES TWO 90 MINUTE MODULES AND INCLUDES:

- Defining a sales strategy for 2020 *and maybe 2021*
- Defining the skills and behaviours of professional sales people during testing times
- Thought processes - how they help and/or hinder you as a salesperson
- Converting the challenges of selling remotely or WFH to benefits
- Matching customer requirements with solution benefits
- Closing the sale effectively
- Handling objections
- Using a range of tools and techniques to develop your sales skills
- Achieving improved outcomes for you and your business

Who should attend?

This course is suitable for anyone who has the responsibility of selling, either to new or existing accounts, sales people, account managers, business development executives and is also a useful refresher for seasoned sales personnel.

This is a practical and interactive webinar, led by an expert in communication. Come prepared not just to listen, but question, contribute and learn. There will also be the opportunity to consider how to develop your own skills further through individual coaching.

The results?

- Increased profitable business.
- Improved sales skills and confidence, especially when confined to a computer screen.
