

Working From Home (WFH) Effectiveness Online & Onscreen

OBJECTIVE

In these uncertain times it seems imperative that we explore how to improve our own effectiveness in our new workplace i.e. our home. This course is designed to ensure that delegates increase their self-awareness and confidence by gaining skills to change and adapt their behaviours to achieve greater effectiveness and therefore success.

“Unlock your potential for success and happiness.”

Richard Denny

THIS 90 MINUTE MODULE INCLUDES:

- Understanding the challenges and opportunities of working from home during these uncertain times
- Identifying the time traps we fall into
- How to make the technology and environment work for us
- Overcoming video call fatigue
- Re-establishing those missed ‘water cooler moments’
- How to curb the time management barriers
- Self-assessment of the key ‘WFH Effectiveness’ skills
- Taking control and adopting good habits, techniques and tips
